

Seating Policy

1. Each family will receive **(12)** reserved seats. Additional reserved seating will be available after all families have chosen their seats.
2. Reserved seating will be assigned based on a lottery system. Students will pick numbers during their regular class time on lottery week **(May 7-11)**. If the student is not present the instructor will pick on their behalf. The number picked determines the order of seat selection on ticket day. The number will also state what time to arrive on ticket day. If you have multiple children enrolled the oldest child will be the one to pick during lottery week.
3. Ticket Day will be **Saturday, May 19, 2018** at the **Recreation office at 1905 24th St.** Please arrive promptly at your assigned time.
 - When your number is called **One** family member may come to the table to select their seats.
 - If you are not present when your number is called you will be assigned the best available seats by the faculty. ****See below**
 - Please note that the last (20) families in the lottery will have first choice next calendar year.
 - After ticket day, additional seating will be available. Call 468-7268 for availability.
4. Handicap seating is available. To receive handicap seating you will have to split your reserved seats. You may request up to **(4)** handicap seats together.
5. 10 year students will not be participating in the lottery. You must contact Kerri Diaz at 468-7268 to schedule an appointment **BEFORE May 11th**.
6. **You may not participate in the lottery if your revue fee has not been paid or if you have outstanding costume late fees! No tickets will be assigned or released until all fees have been paid.**

Return this form by May 18th Only if you will NOT be attending Ticket Day
****If you don't attend Ticket Day and you did not return this form**
your tickets will be selected last.

Student's Name(s) _____

****Handicap Seating Request - (4) seats max. These seats will be deducted from your total number of seats.**
